(b) Government has been periodically reminding the Chief Justices of High Courts, the Chief Justice of India and the Chief Ministers of the States to initiate proposals for filling up vacant posts of judges in the High Courts. They have been reminded last on March 15, 2002. Filling up of vacancies in the High Courts is a continuous, consultative process among the Constitutional authorities. While every effort is made to fill up the existing vacancies expeditiously, vacancies do keep arising on account of retirements, resignation or elevation of Judges.

Various steps have been taken by the Government for the speedy disposal of cases. These include amendment to the civil Procedure Code and the Code of Criminal Procedure, increase in the number of posts of Judges/Judicial officers, establishment of Special Court/ tribunals, improvement in the standards of Legal education, appointment of Special Judicial/Metropolitan Magistrates and adoption of alternative modes of dispute resolution, such as, arbitration and conciliation. Lok Adalats have been given a statutory base as supplementary forum for resolution of disputes.
